STEPHANIE MARIN V.

StephanieMarin05@yahoo.com | Staten Island, NY | (917)544-6127

EDUCATION

The City University of New York, College of Staten Island
Bachelor of Science Degree in Computer Science, anticipated August 2018

OBJECTIVE

Obtain an entry level position or internship as a full-stack developer to expand my knowledge, professional work experience, and skill set, while maintaining a beneficial and productive relationship with the company. Looking forward to deliver exceptional user experience.

SKILLS

Programming: C/C++, Java, PHP, HTML, CSS, JavaScript.
Technologies/Environment: Windows, Macintosh, Linux, MySQL, SQL, Unity.

INTERESTS

Computer Science Club, ELiTe Women in Technology Club, Hackathon with WiTNY.

PROJECTS

- HR Tool
  College of Staten Island, Spring 2016
  Implemented a HR tool like program where the user would be able to add new employees, calculate gross income, employee benefits and more.

- Six Flags Software Requirements
  College of Staten Island, spring 2017
  User can create an account via system's user interphase. Insert personal information, membership information, and implementation to a bracelet with RFID technology.
